Eco Warriors Theme Day

Today has seen our first whole school theme day of the year. Each class has been busy taking part in activities based around our eco theme. I know the staff and children have thoroughly enjoyed themselves and we will display some of the work on completion.

Sponsor Day – 23rd October

Our annual sponsor day will soon be upon us. This event is one of our main school fundraisers and an event that every child in school takes part in. This year, due to current guidelines, we have had to choose activities that can be undertaken safely but we hope they will still be fun and challenging. Below you can see what each class will be doing.

If you, your family, friends or work colleagues would like to sponsor your child/ren please do so either by donating on our Go Fund Me page: <https://uk.gofundme.com/f/raising-funds-for-hemingbrough-school> Please feel free to share this with anyone who would like to donate. Or, if you would prefer, please send in any money in a sealed envelope which can be collected and quarantined before it is counted and banked. Your support will be greatly appreciated and will make a huge difference in our ability to buy a range of resources for school.
