Countryside day

On Tuesday Y4 headed off on a day trip to Countryside Day in Harrogate. The day took them through a variety of workshops, including honey tasting, rural crafts and other activities to learn about farming, food and the countryside.

They were also entertained by the dog and duck show and the legendary Sheep Show!

Main Office Access

In order to comply with GDPR, there is stricter guidance on storing data securely. Therefore the main office door will now be kept locked at all times.

Any visitors to school are asked to please use the hatch window.

School Book Amnesty!

As you know, we spend a lot of money on reading books. Unfortunately we are currently missing a significant number.

Can we ask you to check at home and if you have any school reading / library books at all please send them back (regardless of how long you have had them - no questions will be asked!!)

Thank you for your support.

Judo

This week we were lucky enough to receive some free Judo sessions. All classes took part in the sessions across two days.

Soccer Aid

Today Year 6 organised a day of 'ball themed' sporting challenges in support of Soccer Aid. They held an obstacle course for all classes and raised a total of £185.40. This will be sent to Soccer Aid, for UNICEF UK. Thank you.

Find out Friday

The first of our new format assemblies start next week.

As per 'What's On' parents of children in Year 3 and 4 are invited to their child's classroom on Friday 15th June at the slightly earlier than advertised time of **9.15am**. Please wait on the KS2 playground and you will be collected by a member of staff.

Find out Fridays will involve children performing or showing some of their work, similar to the class assemblies just within the classroom!
