Health & Safety

We have spoken to the children in assembly today about the dangers of eating, touching, picking up unknown items. This will also be followed up in each class.

We would appreciate it if you could also discuss this with children at home.

Our key messages are:

- If it is not from a TRUSTED adult do not take it
- If something feels strange or unsafe, tell an adult
- If you find something unusual or suspicious, leave it, don't touch it and tell an adult
- We will be talking about how some substances / items can look like real foods such as sweets
- If someone asks you to take something – Say NO, walk away, tell an adult

Many thanks for your support.
