Headteacher: Mrs Sarah Chappell

## Welcome!

We hope you have all had a lovely summer break. Welcome back to you all, especially our new starters in Oak class and our other new children across the school. Hopefully all the children are "well rested" and ready to work hard and learn lots over the year.

## The Curriculum

We have 're-vamped' our school curriculum so you should be hearing lots from the children about the different topics they are covering in their subjects. We will have a new section, "Class Clips", in our weekly school snippets newsletter, so you have some info on what the children are learning. The full details of the new curriculum will be on the website shortly. One of the areas we have looked at are our "Curriculum Drivers", elements we want to promote within the work we do and reflect our vision and values; elements we believe are really important to our school. I have talked to the children about these.

They are:

**C**ommunity

**A**spiration

**R**esilience

**E**mpathy

**CARE** will be displayed around school.

## Upcoming Events...

## Clubs

We are in the process of organising this terms clubs so please look out for further information.

We do ask that if your child signs up to attend a club that they do attend. Staff give up their time voluntarily to run clubs, and school uses PE and School Sports funding to provide others such as those run by Sporting Start.

Please see more news and What's On this term on page 2 & 3

**Friday 6<sup>th</sup> Sep 2019**

**Please ensure your child has their PE kit in school every day.**

Throughout the year each class will have an opportunity to take part in forest school activities. These will take place outside in all weathers!

These will be on Tuesday afternoons, this term Ash and Beech class will be taking part, starting on Tuesday 9<sup>th</sup> September.

They will need to bring a change of clothing on these days: -

Outdoor/Warm Clothing (this is likely to get dirty!)

Change of footwear (old trainers/wellies)

Waterproof coat/jacket

### Meet & Greet

Dates and times can be found on "What's on".

Please enter school via the school office.

Meet and greets are an opportunity for your child's class teacher to talk about the work your child will be doing in class, homework, PE etc.

### Late Arrival

Please ensure that children arrive at a school for 8.55 so that they can enter school for the start of the day with their class.

The gate will be closed at 9.05, late arrivals should go to the school office.
