Headteacher: Mrs Sarah Chappell

## Further Allergy Information

As you know we have children within school with severe allergies. As a school it is both our duty and priority to protect and safeguard all our children. As such we endeavor to ensure that school is a nut free environment. Whilst we can guarantee that food provided by school and as part of the curriculum within classrooms does not contain nuts, it is harder for us to monitor other foods that come from home. **Therefore we ask that you do not bring in foods that contain nuts.** In some cases we may have to remove food items. We really appreciate your understanding in this matter.

## Co-op Fundraiser

As you may remember, our school has been lucky enough to be a Co-op Local Community Fund Recipient for the past year. Last week we were presented with a cheque from Co-op for an amazing **£2549.27**. This money is to be used to purchase SEND resources. Thank you Co-op customers!

## Update to our Children in Need Total

We received several further donations after the event and our final total raised was **£235.75**. Thank you for your generosity.

Thanks so much for all the donations of books. We are still happy to accept more so if you are clearing space in anticipation for Christmas, please do send them our way!
