Pupil Champions

We have been overwhelmed by the number of children wishing to be Pupil Champions. As such, we will be sending out application forms for children to fill in and return by Friday 9th June. We will then select children to take on this role.

Photo Competition

We are holding a photography competition on the theme of 'The Great Outdoors'. Children can take a picture of anything they wish around this theme.

Entries should be printed (please do not send via email or Google Classroom) and handed in to Mrs Chappell, with name and class included, by Tues 6th June.

There will be prizes for the winner in both EYFS/KS1 and KS2.

Good Luck!

Class Structure

As many of you will be aware, over the last few years we have had to consider reducing our number of classes.

Unfortunately, due to rising costs (utility bills, resources for example) and lower pupil numbers, the Governors and myself have no option other than to reduce the number of classes from six to five.

We hope that this will not be a long-term measure. If costs reduce, school funding increases and pupil numbers rise, we will of course be able to return to a six-class structure again.

I can assure you that this change will not have a detrimental effect to your child's education. We have, in the past, operated with these class mixes.

From September 2023, the class structure will be:

EYFS/Year 1

Year 1/ Year 2

Year 3

Year 4

Year 5 / Year 6

I will inform you of class teachers after half term.

For the children currently in EYFS, I will be letting you know which class your child will be placed in as soon as possible. However, I would like to assure you that these are two 'new' classes. Children are not being 'held back' in EYFS, or 'accelerated' into Year 2.

All children will access their full Year 1 curriculum entitlement and the staff are experienced in mixed age teaching, which happens in many schools across the country.

We look forward to seeing you!

This week's top Mental Health & Wellbeing tip...

Try this mindful activity...

Find a patch of grass. Take off your shoes, close your eyes. Focus solely on the grass as you wriggle your feet.

What does it feel like, sound like?

Can you describe the sensations?
