Cashless Class Tuck Shop

We will be restarting Tuck Shop on Fridays from 13th November; however, we will now be cashless! Snacks will be sold in classrooms and will be prepaid for via Parentpay. If you would like your child to use the tuck shop, please complete the consent form on Parentmail and make a £3 payment (6 weeks tuck shop, 13th Nov – 18th Dec) on Parentpay by no later than Wed 11th November. Teachers will have a register of which children are having snacks. We are unable to accept cash for this, please contact us if you have difficulties paying via Parentpay (logins have been sent to Apple Tree Class).

Halloween Trail

On Saturday 31st October 5-7pm, in association with FAN Club, we are organising a spooky Halloween trail through the village. We have made a map, which can be bought for £1 from either: The Crown, The Bread Bin or Londis from Monday 26th October from 2pm.

On the map, you will find starred houses, which will have decorated their fronts with pumpkins. How many pumpkins can you find? How many houses can you get around? On the back of the map, there will also be some spooky puzzles to solve, if you answer these and post them into the Primary School letter box by Monday 2nd November, you will be entered into a prize draw for some wonderful prizes.

A polite reminder: we are supporting the government guidelines and would like to remind people that it is really important to stay in groups of no more than 6, unless you are from the same household. Also, we are not promoting children knocking on doors. Let's have some fun but remember to keep everyone safe.

A big thank you to Gemma Howard for all her help and support, this would not be happening without her, and for everyone that has offered to decorate their houses so that we can have a special evening. Don't forget to dress up! We cannot wait to see everyone.

Google Classroom

As you know, we are unable to have homework diaries going between home and school at the moment. We are now using Google Classroom for homework so please remember to check it regularly. We sent home guidance on Parentmail last week showing how to login and attach work. Please contact us if you have any problems using the system.

And finally,...

Thank you for your continued support over this very different first half of the Autumn term!

Please enjoy a restful break next week. Children are back in school on **Tuesday 3rd November.**
