

CHRISTOPHER COLUMBUS KNOWLEDGE ORGANISER

Overview

Christopher Columbus (c.1451-1506) was an Italian explorer who is famous for his voyages across the Atlantic Ocean to the Americas.

He was the first European to set foot on the South American mainland.

Many people mistakenly think that Columbus discovered America. An estimated **100 million indigenous people** lived there already.

Also, the Viking explorer **Leif Ericson** had already visited Newfoundland around 1000CE.

Many people at the time believed that the world was flat. Columbus aimed to prove that **Earth was round.**

How did he fund his trips?

-Columbus moved from his home in Genoa to Spain and Portugal, where he was able to persuade King Philip and Queen Isabella of Spain to finance his trip.

What disasters did Columbus encounter?

-Columbus encountered many problems throughout his voyages.
- In the most famous example, one of his ships (the *Santa Maria*) hit a rock and was destroyed. Columbus was able to transfer to another ship and find a way home, but he left 39 members of his crew behind on the island of Hispaniola.

How did Columbus treat indigenous peoples?

-Columbus has received a lot of criticism from many historians, as he is not thought to have treated the indigenous people that he encountered with respect.
-Believing that he had reached Asia, he called them 'Indians.' He and his crew also used violence and slavery, and made the people convert to Christianity.

Times in His Life

Early Life

-Columbus was known to have been born before 1451, in Genoa (now Italy).

-Around his birth, Constantinople fell, a major event in Europe,

-Columbus went to sea at a young age, and travelled widely, from Iceland (possibly) in the north, to Ghana in the south.

Personal Life

-Around 1479, Columbus married Filipa Moniz. They had one son, called Diego Columbus.

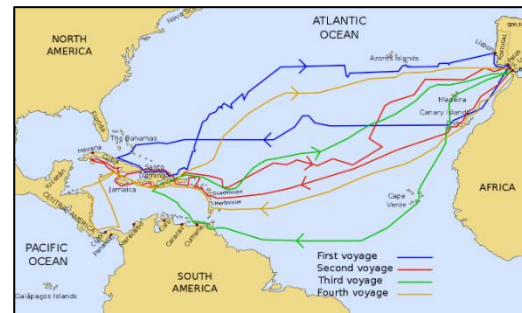

-She may have died in 1485.

-After this, he had another son with a mistress.

First and Second Voyages

-On his first voyage, he had 104 men. He was looking for Asia, which he thought he found when they reached land. He had reached the present day Bahamas. On the same trip, he also found Cuba and Hispaniola.

-On the second voyage, Columbus took around 1200 men. He discovered Dominica, Guadeloupe and Jamaica. He set sail back for Spain, and reached Cadiz after 5 months.

Third and Fourth Voyages

- On his third trip, he reached the island of Trinidad, and finally the South American mainland.

-His final voyage took him as far as Central America. He reached Panama, and he is believed to have found a small amount of gold there. However, the local people forced him out of the area. He sailed back to Spain in 1504.
