Thanks to your generosity last week, we have been able to donate **£194.10** to Children in Need.

Upcoming Events...

Wed 1st Dec

- Y3 Swimming (final session)

Fri 3rd Dec

- Tuckshop

Eco Committee

The Eco Committee held their second meeting on Monday afternoon. They are all very keen and enthusiastic, and have come up with lots of fantastic ideas, including an eco-day, well being garden, composting area and much more! They will be busy organising and planning at the next meeting. Many thanks to Alison Harrison for setting up and working with the children.

Christmas Jumper Sale

Don't forget our eco committee are holding a pre-loved / pre-owned Christmas Jumpers and Costume sale. If you have any items you would like to donate, please bring them to the playground at drop off on Monday 29th Nov.

It has been a quiet week in school so we thought we would share some photos of some of the displays around school – please see the next page.

We would also like to welcome back Mrs McBride, following her absence due to a broken arm. Whilst still rather tender and swollen, it is "on the mend".

Friday 26th Nov 2021
