

Sycamore from 27 th April	
Subject	
Maths	<ol style="list-style-type: none"> 1. Follow White Rose Maths https://whiterosemaths.com/homelearning/year-6/ Week Starting 20th April (Angles inside a triangle) Week Starting 27th April (Angles in Quadrilaterals and Problem Solving) 2. Rockstars! Let's get a few more Year 6 children in the top 10 next week.
English (Reading/writing)	<ol style="list-style-type: none"> 1. Readtheory.org 2. Write a story set in an extreme weather location. For example, in the Arctic or desert. Your main character must have to survive in these weather conditions. 3. Challenge: BBC/ Bitesize English Lessons: https://www.bbc.co.uk/bitesize/tags/zncsscw/year-6-lessons/1 Follow the English Plans from 27th April
Science	<ol style="list-style-type: none"> 1. Research 'The Peppered Moth' and find out how it survived The Industrial Revolution.
Geography	<ol style="list-style-type: none"> 1. How many European countries can you locate and name? 2. Create a travel leaflet for France. Include a key phrases page to help travellers to ask for directions and order food.
PE	<ol style="list-style-type: none"> 1. Create a circuit for your family to complete. Time them doing it 3 times and record their results in a table and graph. 2. Have a Welly Winging Competition. Who can throw a welly the furthest? Record your results and make a graph.
Art	<ol style="list-style-type: none"> 1. Draw portraits of your family or pets.
DT	<ol style="list-style-type: none"> 1. Build a wheeled vehicle. This can be in any form you like: using recyclable materials, Lego or even Mechano but it must be able to move using wheels. It does not have to be a car. You can look on YouTube for ideas.
RE	<ol style="list-style-type: none"> 1. Find out how different religions believed that life begun on planet Earth. How many Creation Stories can you find?
PSHCE: Well Being and Cyber Safety	<ol style="list-style-type: none"> 1. Look at 'Starting Secondary School' BBC Bitesize: 24th April https://www.bbc.co.uk/bitesize/articles/zj2grj6 Talk about any worries or concerns that your child may have about High School, especially in these strange times. 2. Staying safe online. Spend some time looking at the 'Think You know' Website age 11-13. Normally in the Summer Term we start to look at how to stay safe on the Internet and Social Media. This is even more important now as we are using technology more than normal.

	<p>Parents: Have a look at the website first, before showing to your children, as some of the content can be difficult and then have an open discussion with your child/children about how to use technology safely. Some of the discussions can be difficult but they are worth having.</p> <p>https://www.thinkuknow.co.uk/11_13/</p>
