Headteacher: Mrs Sarah Chappell

After our KS2 children's survey, Mrs Chappell picked some people to look at the results and make some changes. First of all, we are looking at bullying. Tracey and Annie, the police visited and talked to all of KS2 about bullying, cyber bullying and antisocial behavior. After half term we are going to make posters and put them around school and maybe around the village. Also, we are going to do an assembly to talk about bullying and how it affects us. We also want to organize and anti-bullying day.

We are going to make our school a no bullying zone. Following on from Tracey and Annie from North Yorkshire police, Lola & Harvey (Y6) wrote some information to share with you.

- If you have committed a criminal offence when you are 10 or over you can get arrested
- They talked to us about bullying, cyber bullying, antisocial behavior and vandalism
- If you did get arrested it could stop you from getting a job or travelling abroad
- Did you know you should be 13 to be on things like Snapchat, Instagram, and 16 to be on Whatsapp
- Anything you post on social media can be retraced even if you delete it
- You need to be thoughtful to other members of the village when you are playing out
- Bullying can affect you physically and mentally
- You should tell a trusted adult if you are or have seen someone get bullied
- Bullying is something that happens over and over, not just the once
