Headteacher: Mrs Sarah Chappell

Welcome back. It was lovely to see the children arrive back last week, full of tales about Christmas. They have all settled back and are busy starting new topics across the curriculum.

Dear Parents / Carers / Guardians

You will be aware the internet hosts many exciting opportunities for education. The online world is a wonderful place for young people to explore, with unprecedented opportunities for learning and creativity, but just like the real world there are risks and dangers they should be aware of and which we should all act to protect them from.

As a parent/carer or Guardian, you play a significant part in ensuring that your child/children spend their time online safely.

Just a few simple steps by you can help keep them safe and give young people the awareness to know what to do if they feel uncomfortable about anything they encounter whilst on the internet.

Net aware is a great website that states age restrictions for any social media apps or game. It also lists key points about what you need to know on how to keep your child safe, including guidance on TikTok, Fortnite and Instagram.

The Police are attending school in the next few weeks to conduct a presentation to the children about keeping themselves safe when online.
