Headteacher: Mrs Sarah Chappell

The tickets are now on sale and are £1 each. If you would like to purchase a ticket/s please send the money in a sealed envelope with your name and number of tickets you would like. We will then put the correct number of raffle tickets (named!) into the draw for you, this way we will be limiting cross contamination. We will also quarantine the money for 72 hours before opening! Please hand any envelopes to your child's class teacher via your child.

Christmas Cards

Following further advice from the Local Authority, all Christmas cards should be brought into school no later than **Monday 14th December**. Cards will be quarantined and given out on Friday 18th December. Unfortunately, cards received after the 14th CANNOT be distributed.

Our School is Nut Free

Friday 4th Dec 2020

This will take place on **Thursday 17th December** (a little differently to usual!) Children can come to school in party clothes (sensible footwear and warm clothing for outdoor play). Children do not need to bring anything additional for party afternoon.

We still have a number of children across school bringing juice in their bottles for consumption throughout the day. This is not permitted in school. Children can bring juice as part of a packed lunch but must then bring a separate bottle of water for other times. Where children bring juice, it will be replaced with water. Thank you for your cooperation.

I am pleased to inform you that we have appointed a new teacher who will begin in January – Mr R Sawyer. Mr Sawyer will work in Year 5 on Monday and Tuesday, and Year 6 on a Wednesday morning. Mrs McBride will therefore now teach Year 5 all day on Wednesdays, Thursdays and Fridays. We welcome Mr Sawyer to our team.

I have been able to obtain 10 free 90 -day Vodafone SIM Cards as part of their 'Connected Plan' to support families during the COVID pandemic. If one (or more) of these would be of use to you, please email us. Any requests are made in the strictest of confidence.
