Headteacher: Mrs Sarah Chappell

## Theme Day

We will be having a theme day on Friday (10<sup>th</sup> Feb). The theme will be 'Wonders of the World'. Each teacher will be planning different activities, for example about:

- The Golden Gate Bridge
- The Great Wall of China
- The Pyramids
- The Great Barrier Reef
- The Eiffel Tower
- Natural and man made places...

The children will rotate around the classrooms during the day and each class will have the opportunity to take part in 4 different activities in a different class, with a different teacher.

## Industrial Action

The next planned strike day is scheduled for Tuesday 28<sup>th</sup> Feb. As you may know, staff are not required to inform the Head teacher whether they intend to strike or not, however I will do my utmost to give you as much information in advance as possible.

The main objective will be to ensure that we can open safely and ensure that children attending can be supervised appropriately. It may be that we only open for children of key workers (depending on numbers, the children attending may need to be prioritised, to ensure Health & Safety requirements are met), and vulnerable children.

I apologise for the inconvenience this uncertainty will cause, but unfortunately this is beyond my control.

Thank you in advance for your support and cooperation.

## Advance warning

World Book Day will soon be upon us (Thur 2<sup>nd</sup> Mar).

We will be welcoming children's author Catherine Jacob. She will take a whole school assembly and lead workshops for the children throughout the day. There will also be an opportunity to purchase a signed copy of one of her books (Mrs Taylor will send more information nearer the time).

To make the day really special and memorable, we are going to have a 'Where's Wally?' Theme day.

Children can come dressed as any character from the Where's Wally books – so no need to go out and find a 'Where's Wally' Costume. Children (and adults) can come dressed in anything they like.

## This week's top Mental Health & Wellbeing tip...

### Dragon Breathing for children and adults

Sit comfortably – breath in and then breath out your 'fire' with a long slow breath.

You could also use paper and watch it blow as you breathe out!
