Headteacher: Mrs Sarah Chappell

Welcome to this week's edition of Snippets

Scarecrow Hunt

It was great to see so many villagers out on Saturday – we hope you enjoyed the afternoon. Many thanks to all those who made scarecrows, the team at Londis and Hagg Lane Conservation Committee for their support. Huge thanks to Mrs Whitmarsh for organising the event. We raised just over £250 which will go into our school fund to help buy resources for school.

Macmillan Coffee Morning

Mrs Taylor is organising a Coffee Morning in aid of Macmillan Cancer Support on Friday 30th from 9.15am. Please come along for a 'cuppa' and a chat.

If any is able to bake, all donations gratefully received (please bring to the office on Friday morning – nut free please!).

Calling all shed builders!

We have taken delivery of our outdoor learning shed.

If anyone is willing / able to help erect it, we would be really grateful. If you are able to help, please contact Mrs Chappell and we can arrange a date / time.

Please check bookbags later this week for a leaflet regarding attendance

Harvest Assemblies

We would like to invite you to join us for our Harvest Assemblies.

- Tuesday 18th October at 9.20am for Apple, Oak and Willow Classes
- Wednesday 19th October at 9.10 for Beech, Cedar and Sycamore Classes.

Please note, due to Fire Regulations we can only accommodate 2 visitors per family.

In Harvest tradition, we are asking you to bring a Harvest donation which will be donated to a local foodbank.

Donations of tinned and packet goods would be much appreciated. Can we politely ask that you do not bring fresh produce as this cannot always be accepted at the food bank.

Children should take any donations to their classes on the morning of their assembly.

Many thanks for your support.

Sports Achievements

If any children have any sporting achievements, we would like to celebrate them in our Thursday assembly. Please contact Miss Richardson – k.richardson@hemingbrough.n-yorks.sch.uk and she will choose someone each week to highlight in assembly.

Sporting Champions

On Friday the 14th of October we have a very exciting visit planned. Leon Baptiste a gold medal winning athlete will be spending the morning with our school. This sponsored fitness event is arranged by 'Sports for Champions'. Sports for Champions is an exciting and productive program for everyone involved. Not only does it raise funds for the school, Sports for Champions will also receive a percentage of the sponsorship money. This money will be used to help young, unsponsored, Great British athletes that have just broken onto the GB squad. Unfortunately, not all athletes are funded by the National Lottery/ large sports brands. The sponsorship raised is primarily used to support the athletes' living costs, as they all train 30+ hours a week and do not have a regular income. With your help they will be able to commit as much time as possible to their sport and be able to cover travelling, equipment and medical costs on their journey to the top of their professions.

We ask for sponsors for your child to complete the full circuit with the athlete. The sponsored circuit is 4 simple exercises:

- **Spotty dogs** (Warm up exercise and great for fine tuning their coordination)
- **Leg Drives** (Helps build lower body and leg strength)
- **Press ups, or Half Press ups** (Helps build upper body and core strength)
- **Star Jumps** (Gentle warm down exercise)

Where does the money go?

School: 60% raised will be coming back to our school.

Sports for champions: 40% raised will be going back to the athletes to help fund their travelling costs, medical expenses etc. as they train 35+ hours a week and don't have any regular income or any time to earn a living.

Your child will receive:

A free sticker for every participating student whether sponsored or not

£5-£14.99 - Receive a signed postcard photo of Leon Baptiste

£15-£34.99 - Receive a signed poster of the athlete

£35 or more - Receive an autographed instant photo of themselves and their athlete presented in a keep sake wallet. (siblings are welcome to have a group photo with the athlete)

Please kindly return the sponsorship money and form as soon as possible as we will need to count the money in the week before the event. You can also find a QR code on the back of your child's sponsor form which will take you to our Crowdfunder page which also explains the event in detail.

The link to our Crowdfunder page is:

Thank you for your continued support and I hope to inspire and motivate our children at Hemingbrough Primary School and start the year with a fantastic fundraiser and community event.
