For example:

- Information on keeping children safe when gaming online
 - Protecting children while they are online
 - Help with the cost-of-living crisis
- Information on Prevent (the government strategy developed to stop people becoming or supporting terrorist or extremist causes)
- As host of links to access support for children (mental health, additional needs, emotional resilience...)
 - Information about Operation Encompass
 - CEOP (child exploitation & online protection)

Cross Country

Well done to the children who represented our school at the cross country event last week.

They showed great determination, resilience and team spirit.

We also had four of our runners come third in their races.

Barratt Homes

I am sure you will have noticed that they are beginning to start work building the new housing development "St Mary's Gate".

Our Year 6 children will be designing a 'Welcome' card for new residents to the development. These will be judged and a winning design chosen.

Christmas Fair

Our fair will soon be upon us (Friday 27th November).

In order to run the fair, it would be really helpful if any parents could volunteer to help set up and run some of the stalls.

If you are able to help, please, please contact Mrs Chappell.
