## Wrap Around Care

As you are aware, I have been looking into providing wraparound care on the school site. The previous provider I had organised did not get enough 'take up' to be financially viable.

We are now hoping to 'team up' with Pre-School, in the hope that this will support families from both settings. We have spoken to a provider, 'Playsafe', who provide care in a number of other settings. In order for this to be viable they would need around 20 children attending each session.

We anticipate that a morning session would operate from 7.30am (to the start of school), currently at a cost of £9.30\*, and after school:

3.15 - 5pm - £11.30\*

5.00 - 6pm - an additional £5.75\*

\* Please note there are a variety of schemes that can help with the costs, such as childcare vouchers and Universal Credit.

In order to proceed, we would need to know approximate numbers / interest.

If you could let us know via the Parentmail form (which will go live shortly) by Friday 14<sup>th</sup> June, we will be able to proceed with our plans.

Thank you in advance

### Clubs this Half Term

Mon – **Athletics** (Y1,2,3) – 3<sup>rd</sup> Jun – 15<sup>th</sup> Jul

Tues – **Bright & Breezy** (8.15) – 18<sup>th</sup> Jun – 9<sup>th</sup> Jul

Tues – **Balance Bikes** (EYFS) – 11<sup>th</sup> Jun – 2<sup>nd</sup> Jul

Wed – **Football** (KS2) – 12<sup>th</sup> Jun – 3<sup>rd</sup> Jul

All after school clubs finish at 4.15pm and children should be collected by an adult (even if they usually have permission to walk home alone).

### Supporting Social, Emotional and Mental Health Needs (SEMH)

Each class now has a Thrive resource box, given by Mrs Wilkinson as a leaving gift to school, for which we are very thankful.

This means that we have a host of appropriate resources to support children's needs as and when required.

Therefore, children do not need to, and should not, bring their own items into school, these will be provided by school as needed.

From recent Thrive training:

"Fidget toys and comfort objects do have their place and are often effective at reducing stress and anxiety, but giving them out 'willy nilly' isn't the solution and can ultimately exacerbate the problem – what is more important is trying to address the root cause of why they feel they need it."

Thank you for your cooperation.

We are unable to apply children's sun screen, so please, where necessary, ensure sunscreen is applied in the morning, before school. If children need to bring it to school, please ensure it is clearly named and given to the class teacher (it should not be left in bags – for health and safety reasons)

Also, whilst we do have a number of sunhats in school, please send your child with one if needed.
