Autumn 2 Newsletter

November 2017

We have had a very busy few weeks and as we head towards Christmas, we have lots of information and messages to share with you

## Aspirations Day

Last week we held Aspirations Day when some of our parents came in to talk to the children about their jobs. It was a very enjoyable day with the children learning about many differing professions including police officer, software developer, solicitor, nurse, photographer, teacher, banker, osteoarchaeologist / palaeopathologist, and pest controller! The children asked lots of questions and were very enthusiastic about the day. We would like to say a big thank you to all the parents who gave up their time to come in and talk to us, and also to those who offered but that we did not have space for - we will hopefully be able to run the day again in the future.

## Olympian Visit

Following on from Aspirations Day, our Sports Leaders recently won a competition to win a visit from an Olympic Athlete. On Wednesday afternoon we were very privileged to welcome Freddie Woodward to school. Freddie is an Olympic Diver who competed in the Rio Olympics and is in training for the next Olympics in Tokyo. He spoke to all of the children in Assembly and the Sports Leaders were then able to meet him and ask questions. He was very inspirational for all of the children and we have had several comments from parents whose children were captivated by his talk! Well done to our Sports Leaders for winning the competition.

The scheme is designed to help these families save money on great days out at castles, zoos, bowling alleys and more.

## Sporting Fixtures

### Cross Country

We walked 29 children to Cliffe Primary on a sunny day in October for the Cluster Cross Country event. The children raced against lots of other children in their year groups from local schools. All the children tried very hard and many showed great examples of sportsmanship and determination. We had six children who qualified for the next round at Tadcaster Grammar in December.

Some of our children have also participated at a recent Tag Rugby cluster event and a cluster Hockey competition. Both events were great fun.

### Coming up this term...

Year 2 are attending a Sportshall Athletics event at Barlby High, the Cross Country next round at Tadcaster Grammar and there are a couple of football events at the end of this month / start of December. Further details on Parentmail.

# Fundraising

As you know, we have been successful in obtaining various grants recently which have enabled us to improve our facilities and resources, above and beyond our school budget.

We are keen to continue to boost our school funds to ensure our children have access to learning beyond the classroom, but we are mindful of constantly asking parents to donate money. With this in mind we now have a couple of new opportunities to raise more funds in an alternative way, but we still need your help!

## Firstly, we have been successful in becoming a Co-op Local Community Fund Recipient

### How it works

Every time members shop at the Co-op, 1% of what they spend on select own-brand products and services goes to the Co-op Local Community Fund.

Co-op also give us and the other causes in our community an equal share of the money they raise from sales of carrier bags. Members in our local community are be able to choose their cause and give their 1% from the **12 November**.

Therefore, we need as many people as possible to become members via this link or in store:

[www.coop.co.uk/membership](http://www.coop.co.uk/membership) This costs £1 and works like a loyalty card, giving 5% back when you purchase certain items. When you register you will be asked to choose a local fund - please choose **Hemingbrough School Fund**. Money raised through this scheme will go towards the next stage of our Sensory Room, which is to purchase equipment such as a projector and ipad.
