Headteacher: Mrs Sarah Chappell

Discovery Barn

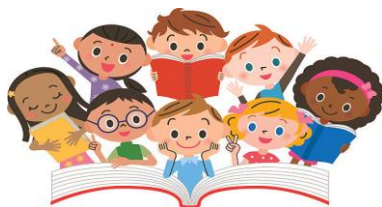

On Tuesday 10th March Y2, 3, 4, & 5 will be visiting the Discovery Barn in school. The Discovery Barn is a resource which inspires children about food and farming, the activities in the Discovery Barn actively encourage children to think about the importance of British farming and where their food comes from.

We need your help!

We will soon be getting some eggs to hatch and look after for a couple of weeks. We would really like to be able to keep some of the chickens after the initial stage but the equipment needed to keep them warm has to be returned. We wondered if any parents have a cage or a heat plate that we could borrow from 26th March for 3 weeks, until the chicks are old enough to live outside. Please let Mrs Whitmarsh / the office know if you are able to help. Thanks

Reminder

Please send all the sponsorship money that your child has raised to the school by Monday 9th March.

Upcoming Events...
