

Oak From 4th May

We are celebrating VE day next Friday 8th May

Acorns	
	World War 2 Find out what it was like to be a child during the Second World War. Some children were evacuated and food was rationed. Make a fact sheet of your findings.
Physical Development	Joe Wicks Activities from sporting start on the website
Literacy	<ul style="list-style-type: none"> • Read daily • Phonics - mr mc on youtube https://www.youtube.com/results?search_query=mr+mc <ul style="list-style-type: none"> • Make your own phoneme cards and use to make words and blend to read • Learn Tricky words (homework diary) • Practise letter formation • Keep a diary of your time at home, write daily
Maths	White rose Home Learning https://whiterosemaths.com/homelearning/early-years/ Key instant recall facts (homework diary)
Science	How many parts of your body can you point to and name? Can you wiggle them all? You could have a go at writing some of the names eg leg hip chin chest hand lip. There is a great song about bones you might already know called "Dem bones". You might enjoy singing along to this version https://www.youtube.com/watch?v=Ns91jtuPHZI . Does anyone else in your family know this song? Perhaps you can sing it together with actions!
Understanding the world	Think about how the evacuated children might have felt. Collect some words to describe their feelings. Write about a time when you might have felt like they did. Acorns can talk about this and draw and write their thoughts
Expressive Art and Design	There is a great song about bones you might already know called "Dem bones". You might enjoy singing along to this version https://www.youtube.com/watch?v=Ns91jtuPHZI .

	Does anyone else in your family know this song? Perhaps you can sing it together with actions!

Y1	
Maths	<p>White rose Home Learning</p> <p>Move on to Week 4. If you click on the link below there are teaching slides, worksheets and answers. If your unable to print the worksheets, try and record your answers in the book school provided.</p> <p>https://whiterosemaths.com/homelearning/year-1/</p> <p>Key instant recall facts (homework diary)</p>
English (reading/writing)	<ul style="list-style-type: none"> • Read daily • Make your own phoneme cards and use to make words and blend to read • Think about how the evacuated children might have felt. Collect some words to describe their feelings. Write about a time when you might have felt like they did. • Practise letter formation and handwriting
Science	<p>There is a great song about bones you might already know called "Dem bones". You might enjoy singing along to this version https://www.youtube.com/watch?v=Ns91jtuPHZI.</p> <p>Does anyone else in your family know this song? Perhaps you can sing it together with actions!</p> <p>Y1 The human body</p> <p>Draw, copy or print out the outline of a person (you may want a grown up to help you with this). Label the all the parts of the body you know. Your next challenge is now to find out about at least one new part of the body that you didn't know already. You could research this by asking a family member – don't forget that grandparents or other family members can help too! Once you have labelled your picture, can you now describe what each part does or helps us to do (eg waist – helps us turn, knee -helps us walk and bend).</p> <p>There is a great song about bones you might already know called "Dem bones". You might enjoy singing along to this version https://www.youtube.com/watch?v=Ns91jtuPHZI.</p> <p>Does anyone else in your family know this song? Perhaps you can sing it together with actions!</p>
History	Find out what it was like to be a child during the Second World War. Some children were evacuated and food was rationed. Make a fact sheet of your findings. (Twinkl)
