Industrial Action – 15th / 16th March

I am pleased to inform you that school will be open to **all** children on these days. Some children will be supervised by Teaching Assistants.

This was a huge success. The children had a fantastic day, enjoying both dressing up and the workshops led by author Catherine Jacob.

Thank you for all the lovely comments we had from parents.

Bingo Night

Information regarding this event was sent out last week. We hope that lots of you can come along!

School Council

Our school council will be having their first meeting on Friday 10th. They are collecting ideas from their classes this week (Y5/6 counsellors will be visiting Apple & Oak Classes to get their ideas) so that we can plan our upcoming Easter Event(s).

Mothers Day

All the children will be making a **small** gift to show their appreciation to all the hardworking Mums.

All children will bring home a gift on Friday 17th March. If you would like to make a donation towards this, of **no more than £1**, please do so on Parentpay.

Many thanks

This week's top Mental Health & Wellbeing tip...

Give to others a kind word or gesture - especially if you can see their face as this can release endorphins in the brain, which can help reduce stress and improve your sense of wellbeing.

Message from North Yorkshire Police:

"We have been made aware of extremely concerning Tik-Toks currently circulating linked to 24th April as a day which promotes sexual assault on females. It would appear that this is something that started a few years ago in America and has now become more widely promoted via Tik-Tok.

Some of the videos that we have been made aware of show teenagers talking about 24th April and warn young females not to go out. Understandably, these types of videos have the potential to cause significant upset to any individuals seeing them."
