Wraparound Care Survey – North Yorkshire Council

In preparation for the Government's expansion of wraparound provision for all primary school aged children (YR - Y6) from 8am - 6pm beginning in September 2024, we would be grateful if parents could complete this survey regarding their potential need for wraparound provision.

This will enable North Yorkshire Council to develop an understanding of potential demand.

The survey will close at 8am on Monday, 20th November.
