## Mother's Day

We hope you enjoy the little gift the children have bought home for you today and hope you all have a great day on Sunday! I am sure you will all get spoilt!

Once again, many thanks to the mums who helped organise the event, worked with the children and donated the resources needed! We are thrilled to tell you that the event raised a whopping £261!

## Sponsored Read and Book Fair

Yet again, the children's hard work and fundraising efforts have been incredible. Together they / you have raised over £1629 – AMAZING! Many thanks from all of us, the money raised is going towards 'revamping' our classroom book areas and updating our books.

Well done to the winners in each class, who have received a £5 voucher to spend at the book fair.

The Book Fair arrives on Tuesday 29<sup>th</sup> March – separate information has been sent to you.

## Support for Ukraine

The children and staff looked resplendent in Blue and Yellow today. Thank you for your support in helping us to highlight the plight of the people of Ukraine.

Our curriculum drivers are:

## Mental Health & Wellbeing

As you will be aware, nationally and within school, the number of children with mental health difficulties is rising, partly due to the impact of the COVID pandemic. At school, we are putting place a number of activities / interventions to support our children. The aim is to help them through these difficulties, enabling them to live full and happy lives as well as to be able to thrive and learn.

We are continuing to update the school website with information, please have a look:

## Celebrating Diversity

It is really important that children understand the diverse world we live in, reducing prejudice and stereotyping.

At school we address this through our PSHE curriculum, Picture News and many other activities. From this week, in assembly, we will be highlighting an amazing / influential person to show our children how many members of society have overcome disability, racial stereotypes and difference. This week we have highlighted **Mae Jemison**.

## Visit from the Fire Brigade

Apple, Oak and Willow classes enjoyed a visit from the Fire Brigade yesterday. They especially enjoyed looking around the fire engine and hearing the siren as it left!

Thank you Miss Richardson for organising!
